

Looking for an exciting volunteer opportunity? Are you eager to use your skills and experience to make the Bow Valley community a better place for everyone?

The Palliative Care Society of the Bow Valley has evolved from a small grass roots organization, building programs to support our community and now realizing our vision of a Centre for Palliative Care and Hospice closer to home. We think differently. We believe that palliative care focuses on living, living your best life from the time of diagnosis to the end.

If you share our vision and are motivated to bring about change, we have some great opportunities on our Board and Committees.

We would really like to hear from you if you have experience in any of the following:

- Non-profit Board & governance
- Entrepreneurial and/or social enterprise
- Financial or investment management
- Legal
- Fundraising and/or Communications
- Medical or clinical background with palliative care experience.

Board members are expected to commit approximately 4-6 hours a month. The Board meets each month except for July and December and typically holds at least one strategic planning day a year. Ideally Board members will also participate in at least one Committee which meet between 4-6 times a year and have a commitment of up 2-4 hours during those months.

Committees currently comprise:

- Governance Committee
- Finance & Audit Committee
- Future Operations Committee
- Nominations Committee
- Strategy Committee

If you are interested, please send an email to theresa.radwell@pcsbv.ca by May 19, 2025 outlining your interest in a volunteer role with PCSBV, the knowledge, experience, areas of interest and skills.
